

Janina Lorraine Jefferson

July 13, 1978 - November 28, 2016

Big Stone Gap, VA

Janina Lorraine Jefferson, 38, left this world too suddenly on Sunday (Nov. 27, 2016).

She was a 1996 graduate of Powell Valley High School, and received a Waterworks degree from Mountain Empire Community College. She had a Class II Waterworks certification and was recently employed with the Town of Appalachia, where she was very dedicated to her work. Janina loved to be artistic and had just recently completed drawings on the Town of Big Stone Gap businesses, with the “Whoville” theme surrounding this holiday season. She loved her children and took great pride in them and their accomplishments. She also loved surprising people and was a great listener. She had a commanding personality, was family oriented and loved to travel, especially on the spur of the moment.

She was preceded in death by her mother, Sarah (Bruner) Jefferson.

Surviving are her three children, Trey Lomax, Briann Lomax, and Zavier Lomax; father, Gregory Jefferson; one brother, Richie Jefferson; two sisters, Tiffany Blair Eldridge and Amber Jefferson; and several other close relatives and friends.

The family will receive friends from 1 to 4 p.m. on Tuesday (December 6, 2016) at the East Stone Gap (VA) United Methodist Church. A Celebration of Life service will follow at 4 p.m. in the church worship center with the Rev. Brad Stapleton officiating.

To view the obituary online and offer condolences, please visit www.holdingfuneralhome.com.

Holding Funeral Home is honored to serve Janina Jefferson's family.

“ Janina was making mugs for my sons birthday in January. We talked about a video she made where she laughed the whole time with her friends. Her laughter and gorgeous smile would brighten up the world. We talked when she set up a Facebook page for her dad, Greg for his birthday. She was nervous and excited. She was a true artist 🎨 and a hard worker. She loved her children more than you could imagine. She was beautiful, very strong willed, beautiful smile and contagious laughter. Never a dull moment in her life. GOD NEEDED a special loving angel 🙏, an artist 🎨 to paint the clouds and draw the rainbows. She never died, but went away to help JESUS make the world 🌍 more beautiful. She has a new address now, it is "SOMEWHERE OVER THE RAINBOW". When you miss her, look to the sky, she is way up high. Peace and comfort for her loving, caring and hurting family. God draw you near for comfort and let you cry. Jesus weeped.

“ At a very young age, still innocent and full of dreams as a young girl of her age would have. Gina so instinctively became a nurturer to everyone. The Mother roll was second nature to her. When Gina became old enough to be a Mother herself she was young, but she never ran from the reasonability of raising her children. She never ran from the challenges of being a Mother, she never ran from any of life's challenges..From an early age to now, she never ran!..she stood strong!..she conquered!..she overcame!..she achieved!..Challenges just fueled Gina. Always ready to face each and every situation that came her way. Though she had 3 children of her own to care for, she never left any family or friend out. Always ready to help the people in her life that she Loved..She Mothered..She Loved..and She fought to Live. She fought to Love and she fought most days of her life to make sure her Kids and Family was taken care of and safe. When I say fought, I'm also saying she fought!!!..If anyone ever tried to harm her kids or her family she fought to protect them, She was fearless!!..no one would ever harm her family, her kids, anyone Gina cared for always, always had her by their side...She was a protector!! What Gina achieved in her lifetime would have been impossible for a lot of single women. But Gina did and she did it with pride and a unbelievable amount of courage.. There will never be anyone that will be able to feel her shoes. Especially to he 3 Children. Gina's children Trey, Brieanne and Zavier will be her legacy. Her kids are respectable, striving, capable, compassionate, loving kids. accomplished as she was. Some of us may ask ourselves what did we ever do that mattered?..Did we do anything good?..After we at long gone did we leave anything behind that would tell the world that I mattered to someone..Gina did, she did all those things. What the world will see of the time Gina spent on earth is in her Kids. They are her Legacy and they represent their Mother well..They are a blessing to all that know them..It would be hard to come up with just one word to describe Gina, but is I had to My word would be accomplished..Her main mission was to raise her kids to be good respectable people and she did.

Gina Loved life and she Loved people. she Loved her Kids..She

Loved her Family.. Always trying to find the good in everyone. In a world with so much ugly. What Gina was willing to give of her heart was a blessing and should have been cherished and treasured. Maybe the wrong person didn't realize that but a lot of right ones did..

I was at one time Gina's step MoM while married to her Dad I can honestly say she Loved and adored her Dad and Family togetherness was most important to her. Always valued his advise and always aspired to be like him, always wanted him to be proud of her and he was. The Jefferson Family is suffering a tremendous loss and this will affect their lives forever. My Heart hurts with them. Many Hearts are hurting right now and will forever hurt. Even though Gina has left this earth way too soon, I hope all who loved her take comfort in knowing that she will still be watching over those she loved. She will still be your protector. That's who Gina is...always in our hearts and will never be forgotten and forever missed...

From one Mother to another Gina..I want you to know that I always had the up most respect for you. a Mother we all aspire to be..Much Love for You always!

“ *We, though not as deeply as her family, share our sadness. Her family, her friends have lost a shining spirit. The shock and sadness will linger for a very long time.*

We watched Janina grow up. Working at the water plant, I used to watch her and Richie walk home from the school bus stop on Coeburn Mountain Road. She used to hold our daughter Tina. She grew into a woman, and a great mother. I don't think a mother loved her kids more than Janina did.

I hadn't seen her in a while, but whenever we ran in to each other, she always had a smile and a hug.

Our prayers are with you all. God bless Janina and her family.
