“ So sorry to hear if Jay's passing. I worked with him at General Auto Parts for several years. He was a good person and great to work with. He taught me a lot about auto parts.

“ I'm so sorry to hear about the loss of my cousin, J.C. Reed. He was a very kind, sweet and special cousin to me. He was always such a very nice person and good to everyone he met. I thank God for sending him the love of his life, and giving them the happiness they both deserved. I would sit and talk with them at the Country Cabin, which is a very reputable place to spend a Friday Night. That was where I first his wife. She was such a sweet lady. I was so happy for both of them. Although they never danced, they said they really enjoyed watching others dance (such as myself) 😊 and listen to Bluegrass and Gospel Music. My thoughts and prayers go out to ALL his family.
