“ Sorry about Aunt Jeanette's passing. God just reminded me that she was the first person in my life when I was young who made me feel special. Her and Uncle Dallas gave me a doll as big as me to stop taking a baby bottle when no one could and she gave me my first real pair of high heels to turn this still tomboy into a lady. She was always kind to me and told me she wished I was her daughter. No one told me she passed I just sensed it. Prayers for your family. Connie Ricker

“ I am so sorry to hear of Jeanette passing away. Prayer for all her family. I'm going to miss hearing her come down the hall as soon as I walked into work saying “put me to bed” when I worked her hall. She could be a grouchy woman at times and also the sweetest woman ever. You couldn't help but love her no matter what mood she was in. Im going to miss her so much! RIP Jeanette.
