Thanks for your kindness! Every day is a challenge. Sorry it has taken me over a year to respond. I find it so hard to close this chapter in my life and don't know if I will ever be able to accept that Jeff is not with us. But for now I am grateful for all the memories that we have of him!

Thanks Jamie.. sorry it has taken me so long to respond but the tragedy of losing my one & only son, who was so loving, respectful, appreciative & so many more positive adjective words to describe my son, was so overwhelming, I found it hard to live day to day! Words alone cannot begin to describe my life after my son's passing! I never knew your mom's pain but I do now. Great abundance of thanks & appreciations for your thoughts, card, & love. You truly are a special person in my . Love you!!
