“ *Hard to believe it's been almost 5 years since my best friend passed away. Really missing you right now papaw, I'd do anything to see you one last time and just have a conversation about life or fishing. I remember when you had first got sick again I came down to your house and we made paper airplanes. I came down to your house to see you every day and now I look at your tombstone and remember all the good memories we had.* ”

“ Jerry was the most dedicated and Godly man I've ever met. We connected spiritually the first time we met. I honor him for going to the hospital and praying with my son and for listening to the precious Holy Ghost. Not everyone could get his preaching as it was deep. I loved it and I loved him as my Holy brother. Rest my brother and know you ran your race well. You're free of pain and trouble and you've got it made! 😊❤️

“ Brother Jerry was such a good man. He was my Dad's (Jimmy Messer) absolute best friend and closer than a brother. I will always remember his kindness and as one of the strongest men of God I've ever known. He was an amazing man. Know I am praying for you all and sending my love.
