“ There are too many wonderful memories to share from the wheelbarrow rides to the his daily news reports he gave after his listening to it on the radio. As the world is now missing a light, one thing is for certain, when Jesus called he answered in true form with a "well yeah let's go" and Heaven gained a new angel who is singing praises and greeting everyone with a great big smile. Uncle Jim never met a stranger and a stranger always became a friend instantly as he was a true gem.
