“ Me and Joseph met in high-school. We were together forever it seemed before we got married. We went through it all. Then he gave me the most wonderdul son a mother could ask for that looks just like Joseph. And has some of Joseph's personality. Eventually me and joseph seperated. We would talk alot sometimes and other times not so much. But when we needed each other. We were both there. We stayed married for awhile so maybe some day paths could cross again and we could have our family back. .we still loved each other at heart. Aanyone that knew me or Joseph knew that .a little after this past christmas we decided that it wasnt our time just yet and his new wife filed for his part of the divorce. But Joseph fought a hard fight. And Brayden absolutely loved his daddy. With his whole heart. And I know that Joseph loved B with his. Rest easy Joseph. Your no longer suffering . All the problems you told me you were having are gone now. Your no longer in pain. Your up there able to keep an eye on your son every day now. I loves you Joseph. Say hi to my daddy for me.
