We only knew John through MEOC. My daughter, Hannah, was one of his patrons. I want the family to know, not only did we appreciate and trust John with our daughter, but Hannah LOVED him with all her heart, and is so saddened over his passing. She will never forget him. He was a friendly man, always a kind word with us, a Godly man, always willing to say a prayer for Hannah or any of us, but especially Hannah. He kept an eye out for her due to seizures. He will always be remembered. May God bless and comfort you, the family, now and in the time ahead.

“ *It s with great sadness that Reba and I learn of the passing of a very dear friend. We have shared many memories down through the years. All of them have been good memories. We went to church and worshiped together even though we attended different churches. He and Charletta would go with us as I ministered in various churches around the region. They don't make many like Brother John. He was not perfect by any means but he had been forgiven by God. He had the love of God in him and he shared it to any that would listen. Reba and I cry with sorrow but we rejoice in gladness of having been friends for so many years with this precious man. Our hearts pour out to the family as they take our dear friend to his final resting place. If there is anything we can do to make his passing a little easier please let us know.
