“ He sure did love all of his “grandbabies” with his whole heart! This is one of my all time favorite pictures of him. Dancing with his little Aubree in the living room. ❤️

“ I’m so sorry to hear of of Bobby and Lola Ann. They both were great people . You never went to visit with our sitting down and eating. I remember John taking Steven hunting when he was just big enough to walk. My sister worked at the hospital with Lola Ann and she spoiled everyone. They both were great people.

“ My heart breaks with the passing of both John and Lola. I was blessed to know them both thru the PACE program. I had the opportunity to see first had the care you children gave both parents. They were so proud of those grandchildren. John talking about his clocks . I remember the first time I was in their home . He took me around and showed them off. Lola and her canning and garden.

Most of all I can remember watching you kids take time about to care for them both. My heart breaks for the family .

Steven, John, Amanda, and LeJina you all done an amazing job taking care of them both.

Know they are rejoicing in heaven now!

“ My dad was an amazing man, he taught me everything I know from how to change my own oil and brakes to woodworking and clocks. A piece of my heart broke when he started forgetting and getting confused. Another piece of my heart broke when he passed. Adopted daughter or not, that doenst make me any less daddys little girl. His blood still runs through my heart. He doesn't have to suffer or try to remember anymore, he can be at peace now. I'll always be your little girl daddy.
