“ Our hearts are broken. When we heard about Johnny's passing, it made me relive losing Daddy last year. We are praying for all of you, praying for strength to get through this, comfort for the loss you feel, and a peace that only God can bestow during this time and in the future.

Johnny was always willing to throw up a hand to say hello when we passed by, always with a smile when we talked, and a little ornery at times to keep us on our toes. He would have given us the shirt off his back. He will be missed.

Thank you Becky, Stewart and Taylor! He thought about you all just like you all was part of the "hollow family"! You are right about everything you said about him!
