Offering our sympathy and sincere condolences to the entire Patterson family on the passing of Mr. Patterson. "JP" as he is known to his co-workers and associates, was a gentleman who exuded a quiet strength as he went about his duties as a well-respected community member, husband, father and so much more. May the warm memories of a life well-lived be a comfort during your time of loss. As always, I am at your service at any time. Blessings to you all!
