

Jonathan Paul Dingus "Paco"

August 5, 1975 - February 7, 2016

Nashville Tennessee,

Jonathan Paul Dingus "Paco" 40 passed away unexpectedly at his residence, on Sunday, February 7, 2016 in Nashville TN. He leaves behind his mother, Debroah "Debby" Collier, Stepfather, Charlie Dyer, his sister, Nicole Dingus "Coco", and her fiancé, Tony Furstnau, his niece, Karah Dingus, and his nephew, Isaiah Furstnau, his son, Keaton Browning, his paternal Grandfather, John Dingus, his aunts, Melissa Marcum, Darlene Dingus, his Goldie Group family; Bruce Goldie, Kenny Goldie, Jason Goldie, Mike Patterson, and his beloved dog, Biscuit, and all his beloved friends and coworkers he's touched in his professional and personal life. He is preceded in death by his father, Donnie Dingus, his brother, Matthew Dingus, his maternal Grandparents, Pete and Opal Chandler, and his paternal Grandmother, Jeweleen Dingus.

Jonathan, a 1993 graduate of Powell Valley High School, excelled in academics and athletics and was a member of the baseball, football and golf teams. He graduated Eastern Tennessee State University with a degree in Public Relations. He enjoyed working as a sports writer for E.S.P.N., The Kingsport Times, and Bristol Herald Courier early in his career. He was instrumental in bringing Crutchfield to Southwest Virginia. After that, he was an investment banker for several years at Edward Jones Financial. A career in the cellular and wireless industries was realized next as he worked at Sprint

and Touchstone Wireless until it was sold. Jonathan was hired as a Director for the Goldie Group in Massachusetts and he moved north to the Boston area for work. Two years ago, Jonathan, moved back to the south and lived and worked in Nashville, Tennessee, where he helped the Goldie's open up Electronics Renewal, a cellular service and repair center. He was instrumental in the startup and growth of this new company, overseeing purchasing and sourcing with great pride.

During the past 10 years of Jonathan life, he formed an extremely close working and personal relationship with the Goldie Family. Bruce Goldie, C.E.O., was not just his boss, rather he was an admired mentor and adored father figure to Jonathan. He was an integral part of the Goldie family and their business. The bond that he developed with his Goldie brothers; Kenny and Jason and his other Goldie Group brother, Mike Patterson, was a great source of happiness to Jonathan. His dog Biscuit, his closest companion over the years always kept the smile on Jonathon's face when they were together. Jonathan was a friend to everyone he met and a shining light and a ray of hope for his family's life. He will be deeply missed by all that had the great pleasure of knowing him.

The family will receive friends on Saturday (Feb 13) from 11 to 1 p.m. at Holding Funeral Home (17 E. 3rd St. N.) for the visitation. The funeral service will be conducted following the visitation in the funeral home's chapel with the Rev. Michael Dalton officiating. Glimpse of Grace will provide the music for the service.

“ YOU were my Dad, my best friend, and a constant role model since you came into my life when I was a year old. I've loved you from the moment I met you and will ALWAYS love you. Losing you has been by far the worst thing to EVER happen in my life thus far, but your memory will always remain in my heart. I just wish we had more time together. Everyone ALWAYS said I looked just like you and still do. I only hope to become half the man you were! I promise to make you proud! I love and miss you Dad...”

“ I've never met a man more full of life and love than Jonathan was. He opened his heart to me and my then 1 year old son, Keaton, 17 years ago and what a great impact he ended up making in both of our lives, especially Keaton's. Jonathan was the absolute BEST Father I could have ever HOPED and PRAYED to have for my son, Keaton. He's the only real Father my son EVER knew. To Keaton, Jonathan WAS his Dad!! I had the pleasure of spending 12 wonderful years of my life with Jonathan and there will forever be a void in my heart that will never be filled! I knew he was sent to us straight from God above!! He and Keaton even shared the same birthday, August 5th.. We still kept in touch over the years, but he ALWAYS included Keaton in everything he did. He never missed a Birthday, Christmas, Valentine Day, etc. without taking him out and later in after he left the area, sending him gifts via mail. They always stayed in touch and I definitely give credit to Jonathan for helping Keaton turn out to be the loving, honest, caring, tarheel-loving, intelligent man he is today! He promises to make you proud, get that college degree, and make something out of his life exactly like you always taught him!! Keaton and I will ALWAYS love you!! You will remain in our hearts forever... We will ALWAYS love you Jonathan!!!

“ *Paco was one of my great friends back in our high school/college days; whether it was sports, golf, whiffle and softball tournaments or just him debating with you - not necessarily telling you that you were wrong but you knew - he was a great guy and fun to be around. While I hadn't seen him in about five years, I know he was doing well and the world is lesser for no longer having him. Paco, I love you brother and will always remember the good times. RIP, my friend.*

“ By the 2nd inning you could always count on his master mind cracking the code of the opposing team’s signs. Several of the elite teams would alter their strategy after finally realizing Paco was one step ahead, but that certainly didn’t matter. Great BB memories I will always cherish.

Sharp as they come, but also a rare quality of humbleness to complement. One of the most selfless individuals I’ve ever had the pleasure to know. Certainly lost one of the good ones! Thoughts and prayers to the family during this difficult time.

“ Jonathan Dingus, or just "Dingus" as I called him, was the single most cerebral person I've ever known. The world, post Dingus, is one that lost a few I.Q. points as a whole. I fear coming off as cliché or giving platitudes; which is the exact opposite of my intention & my true feelings. As intelligent as he was, I don't think he ever understood his impact on others around him; including myself. I learned the importance of listening and consideration of thoughts/opinions I didn't necessarily agree with, in large part because of my friend Dingus. He was the best at this bar none; to the point of inspiring me to do the same. It was/is one of the most difficult things I've ever done; considering my bias for many a subject we debated. That was 10, or so, years ago and to this day; I still use this lesson every day of my life. You're going to be missed a great deal brother as this world is undoubtedly darker without you in it.
