“ I was lucky to have Jon as a neighbor and mentor for the better part of a decade. At a time when I was struggling with the transition from adolescence to adulthood, Jon was always willing to engage in conversation and provide his insights and guidance. He was also a great critical thinker who possessed a breadth of knowledge that we would all be very lucky to even come close to in our lifetimes. On numerous occasions, Jon enthusiastically helped me with projects pertaining to computers and vehicles. In addition to his practical skills, he also was great at sensing the mood of others in a room and inserting humor when necessary. Whether he was listening intently, performing card tricks, or delivering long jokes with great punchlines, Jon knew how to uplift stressed individuals and make them feel welcome. The world has lost a great worker, and more importantly, a great person. Praying for all of the family members and friends affected by his loss!

“ I am in shock! This is heartbreaking!!!! I worked with Jonathan at LCCTC. He was just an awesome person! He had such a great sense of humor. His eyes always sparkled when he spoke of his kids and family, which was almost every other sentence. The world has lost a great soldier! We have lost a great friend. My husband and I both thought the world of Jonathan! May God be with you in the days to come and give you the peace your hearts and souls need. We will always remember him with a smile and a laugh of his stories. Our hearts and prayers are with you!
