“ I don't even know where to start man. When I got the phone call that next morning I almost collapsed. Jonathan was an amazing man. Put smiles on many of people's faces. Stood by Alli's side even when they "argued". And Grayson, Uncle Blake loves you. And you have a wonderful woman taking care of you and a wonderful father looking over you. God received another angel Tuesday night and you will never be forgot man.

“ Larry and I met Jonathan in 1997 while we were attending Lighthouse Baptist Church, He had the sweetest smile, but like all boys at his age he was eager to learn and, too getting into mischief. He grew up to be a very nice young man, Haven't seen him since 2006. But was sure saddened to hear of his death. Our sympathy goes out to his dad, Victor, sister Victoria and Andrew, all of whom we really loved and had a great time together. Did not meet his son and sad to know he will not grow up to remember him. Rest in Peace, Jonathan. Heaven gained another child... Love to all Larry and Margaret Reed

“ I have known Jonathan since we were in 4th grade together. Him , my brother and I were all really close. I cant believe that we lost another great person, but i know he is in a better place smiling down on all of us. I will always remember his goofy little laugh and those chubby cheeks you were the sweetest boy ever! You were close to my family and we are still all in disbelief. Alli , you and your son have one heck of an angel watching over guys. It was great knowing you Jonathan, you will truly be missed. :(

“ We met Jonathan about 17 years ago. We went to church with his dad. I still remember those beautiful blue eyes and adorable chubby cheeks. We have watched him grow up to a sweet & handsome young man. I am so very sorry Victor, Victoria, Andrew & the rest of the family. We will continue praying that God will comfort all of you. If there is anything we can do, please let us know.

“ Jonathan was a great guy! We were together 3 years 11 months & 23 days! We first got together July 17, 2011. We found out we were pregnant with our beautiful baby boy June 4, 2013. That was the happiest days of our life. Grayson came 6 weeks early & lord knows Jonathan was always right there by my side. He stayed up for days I'm the hospital with me, he got me & helped me with any & everything I needed! He loved his son more than anything in this world. We all know Jonathan is in a much better place now! Just know baby, Grayson & I love you more than life itself! And I promise you will never & could never be replaced. Grayson will always know who & how great of a dad he had. Yes, we had our differences but who doesn't? We loved each other immensely! July 17, 2011 & January 5, 2014 was the best days of my life & I know they were yours too baby! Muaahhhh. Goodnight & sweetdreams forever baby!
