“ *Julie was always so sweet to me from high school to working at Sykes together. She was someone you could count on and such a good friend. My heart breaks for her family and her sweet boy, Thalan. I pray he grows up to know how special of a mother he has.*

“ *I'm so sorry for your loss. I was a coworker of Julie's. I sat in front of her at Sykes, and she was always so helpful when I didn't know what to do. On the days that I didn't think I'd make it through my shift, she would always give me a big hug and reassure me. She was a beautiful that is gone way too soon.*
