“ *I met Karen about 8 years ago when we both started the International Institute of Mentoring in Cleveland, TN. I am originally from VA and it was funny that we lived an hour away from each other and met in TN! I have many favorite memories of Karen, her and I laughing our heads off at almost nothing, taking a trip to Daytona Beach to visit our friend Julia, and most of all the times when she would come to visit my home in TN and spent time together whether in church or just hanging out. She was on fire for Jesus in every single way, and I cant help but know and feel in my heart that she knew heaven was just around the corner. I am so sad that shes not here with us any more, I will miss her contagious smile and her zeal for Jesus; but I am so glad that she isn't suffering any more and is dancing with the angels and with Jesus - will hold her close to my heart forever, but will definitely see her again when Jesus calls us all away! UNTIL THEN MY FRIEND.... UNTIL THEN!

“Karen had a huge heart, was witty, funny and smart. She was always patient and kind while training me. She loved children and animals and gave so much to both. When she moved to another department she still came down the hall to talk and make me laugh. You did so much good here on Earth and I know you are an angel in heaven now. You will be missed.
