“ Kaye was my first girl friend in 1st grade as I entered Elydale in 1st grade after school started. We remained close friends all through elementary school. We played together at school everyday & spent so many days together at my house or at her house playing together & other friends; our favorite thing was to ride go carts or walk down to Elydale and play on the play ground. Kaye was always so kind and so sweet! I don't recall a time of her ever being hateful or mad at someone! We ended up in different circles in HS as we had different interests but she was always a special person to me. I am saddened by her passing. I'm glad she had a wonderful life filled with many kids and numerous grandchildren! I know she will greatly be missed! Many prayers of comfort and strength for Tom and all of Kaye's family.
