“ *So sorry to hear of Kenny's passing. He was like part of our family for ten years. We had some good times together and memories that we will hold on to forever. He was always so thoughtful of others. The only comfort now is knowing he no longer has to suffer and is in a better place. He will always be remembered.*

“ *So sorry to hear about Ken. I still remember our times with Ken and Charles playing sports and electric football and Ken was usually victorious. He was a big part of my childhood, just a good person overall.*
