“ *Jr., Ticky and family, so sorry to hear about Kenneth. I know your heart is broken. We've certainly had our share of grief. Gert and I can't make it to be there for you, she's not well and I am recovering from back surgery. I pray for you to find some comfort if that is possible at this time. No one can know what it is like to loss a child until it happens to them.
Remembering and thinking of you all.
Your cousin, Sandra*
