“ *Lenora (Nory) will be missed. She was my Aunt and I loved her dearly. I remember as a child, she worked at the laundromat and we would go to VA on vacation and run in to see her and get a glass bottle of pop from machine inside. She was always happy to see us and she loved my son's so much. Called them her boys. We all will miss her but know she is in a better place and no longer suffering.*
Love, her niece Tammy
