“ *Ted, I am so deeply saddened to hear about Linda. We worked together at JW Adams, and I have many dear memories. She was in a position as guidance counselor that suited her well. Her love and concern for school children were very evident as were her love and concern for her own children and grandchildren. I'm so sorry that I will not be able to come to visitation. Please know that my thoughts and prayers are with you and your family now and in the time to come. My sincerest sympathy. Brenda Lee*
