

Dr. Lisa Anne Montgomery

August 5, 1930 - October 13, 2025

Dr. Lisa Ann Montgomery, 95, of Rose Hill, Virginia

Dr. Lisa Ann Montgomery, a beloved educator, mentor, and lifelong learner, passed away peacefully at her home in Rose Hill on Tuesday, October 13, 2025, surrounded by the love of her family and friends.

Born in 1930, Lisa's life was marked by curiosity, compassion, and an unshakable dedication to bettering the lives of others. A proud graduate of Yale University, she earned her doctorate in education and spent more than four decades inspiring students and shaping young minds across many school systems and beyond. Her classrooms were places of challenge, laughter, and growth — where every child was seen for their potential and encouraged to reach it.

Dr. Montgomery was more than an educator; she was a woman of quiet strength and deep faith. Her retirement home in Rose Hill was known as a place of open doors and open hearts, where she shared wisdom over sweet tea, tended her rose garden, and reminded visitors that "learning never stops, not even when the school bell rings". She was an avid reader, a devoted friend, and a pillar of grace in her community.

She is survived by her son Dr. Alan (Nancy), her 3 grandsons Bo, Luke, and Jessie], along with countless former students who carry her lessons in their hearts.

Funeral services will be private.

In lieu of flowers, the family requests donations be made to the charity of your choice honoring Dr. Montgomery's lifelong commitment to education and service.

Her life was her lesson — and what a beautiful lesson it was.

An online registry is available for the Montgomery family at www.holdingfuneralhome.com

Holding funeral home is in charge of the arrangements for Dr. Lisa Montgomery's family.
