“ Our hearts are heavy at the loss of dear, sweet Marc. Mom has always treasured Marc’s friendship, having known her since her teenage years. When Marc was only sixteen and Mom was seventeen, Mom recounts traveling to Harlan, Kentucky with Marc & Carl, so that she and my father could stand with them as they got married. After they all moved from Virginia to Dayton, Ohio, they continued to be a support system for each other. We remember so many wonderful times shared as families.... lots of good food, (especially loved Marc’s prune cake), singing good ole Gospel songs, sharing love and laughter. Marc has always been a friend who has felt like family and we will miss her so much. Although we are unable to attend the funeral, please know that our hearts are with you all as you celebrate the life of this wonderful lady who has touched so many with her love and grace.
Sending our love and deepest care to all the family,
