“ Margaret was one of the finest people I have ever had the pleasure to have known. For over 10 years we met 30 minutes before work to have coffee and talk about everything going on in our lives. We laughed, we cried, and she shared so many wonderful memories with me that I feel I was a part of her family and she was of mine. She was a great mentor and gave me so much excellent advice. We visited often and went out to eat for years after she left MEOC. I cherish every memory I have of her. I am so blessed to have had her be a part of my life. Many prayers are sent your way. Cling to the precious memories each of you have of my special friend and Margaret will never be forgotten.
