“ *You were always there when I needed you. I thank you caring so much for a great nephew as you did. When I think of you I can only smile. You took care of my sister and for that alone you are an angel. I hope you sitting around in heven with all of your family before and laugh and cut up. I hope to see all of you some day but until than have fun and know your memory is inbeded in my heart. I love you. Phil ( Dump )*
