“ Missy was a one of a kind person. The world needed more people like her. She was sweet and always had a smile and a hug for me everytime I saw her. She was so loved by my family and church family. Everyone loved seeing her in church. No matter what she was going through, she always gave the glory to God. She praised him even in the toughest times. She showed me how to be a good Christian, especially when times were hard. I think that's the most important time to be a Christian. Missy knew that as well. I know she is sitting with God right now. She is happy and free from all chains. My thoughts and prayers are with her family. May God give you the comfort that can only come from him.

“ *Missy is a very special part of our church family. It will not be the same without seeing her sitting in her chair, drinking a Mountain Dew. While we miss her, it does our hearts good to know that she is home with the Almighty.*
