“ My dearest Nathan..For once in a very rare occasion, I can't find the words to tell you how much you are loved and missed. You have been my rock for almost 30 years. You've stood by me, even when most would have walked away. I hope and pray that you are finally at peace. You can rest now..no more fencing and chasing cattle. I do however hope there's a nice big tractor for you to stroll around heaven in. Losing you has broken not only my heart, but my spirit. Our road together wasn't always easy..but we made it work. We always made it back to each other. It is truly an honor and privilege to love and be loved by you. Until we meet again, rest easy. Tell Donald, Doris and Daddy I said hi and I sure do love and miss them. I love you.

“ Pam I remember both of you coming to my home and eating Thanksgiving dinner. Those were the days my friend! I remember us at the log cabin going through the out building when I was moving and Nathan wanted the longhorn skull I had! I am so sorry for your loss! Sending hugs Bella Donna
