“ *I loved Neal's gentle spirit and soft-spoken nature. I loved the bond he had with his daughter, our sweet Charlotte! Who knows what private pain and personal agony he had been suffering in silence with that drove into this drastic measure. My heart aches for him and my sweet and beautiful Turner family. John & Charlotte, and Amethyst, Malachite and Mica.... may you huddle together and hold on safe to each other in your families, Ward Family and Faith. Norma, may you also be comforted also with the peace that defies all understanding. Love and Prayers*

“ He was my dentist in BSG for a long time even after I moved to TN. I told him I had a partial plate at one time! He asked what happened to it? They cost a lot. I said, did not like them and took pliers to them! He rolled laughing! Asked if I would bring them next time so he could look! Best humor! Good man!!!

Neal was a perfectionist at everything he did, he would do wholehearted, from loving his family to loving his profession, patients, friends, country and God!. I can only hope Neal knew what he was to everyone. You will never find another one like him. My heart and prayers go out to my sweet, precious Norma and their entire family.
