“ *Mrs. Smith was my first grade teacher at Appalachia Elementary School. I loved her so much. She was so good to me, even when I cried all day. She was patient and kind. I will never forget her. She was my favorite teacher of all. God give her family peace. I saw her at Walmart almost 20 years ago and she gave me a Sacagewa coin I still have, just for being a good student of hers. I am 46 now. She was just such a precious soul who influenced me to the good for life. Thanks Mrs. Smith. I love you, Karen*

“ George and Ann,,,,,,,,,,,,,, You had a kind and compassionate mother, one of my mother, Evelyn Tate's best friends....I remember the two of them making candy together or sitting in the swing on your front porch, usually discussing Harry and Fleet. She always loved reading and learning. I remember her trying to teach me to play The Tennessee Waltz on your piano. We were blessed to grow up in ESG with the parents we had. Prayers for you and your families to experience comfort and wonderful memories. God Bless!
