“ *Kim and and all of Pat's family, I am so sorry to hear of my dear friends passing. I just found out today. I was in Va. last week and my sister and I went and saw her. We talked about how good she looked. I think she recognized me. We were best friends in high school and went to Washington on the senior trip together. I will miss her dearly. She was a true friend. “ *Dear Kim and family;*

I am so sorry for the loss of your beautiful mother. My heart aches for you because a mother is also a girl's best friend. I know there is an empty place in your life right now but your mother will always be in your heart. She will still be with you whenever you need her. Just look to Heaven and know she is there talking with Jesus and smiling because her body is whole once again. Much love and many prayers for you and your family.
