“ We had so many great times during sports season and taking care of the basketball and tracks girls when our girls played. She had everything you could think of in her purse. She was a kind soul and would give you the shirt off her back. I love you my precious sister.

Lynn worked for me in student financial aid years ago. She always worked hard to provide much needed assistance for the students. She truly cared for the students and their families and they loved her dearly. I send my deepest sympathy to her sister Ann, a longg time friend, and the entire family. You are very much in my thoughts and prayers.

I had not seen Lynn in 50 years . Both our families grew up together and I was friends of her brothers. Never remember without a smile on her face. Always a joy to talk to. I feel a loss of a dear sweet lady. I will remember her always. RIP Lynn.
