“ *What comes to mind when I remember my dad is his beard and tattoos. Its been years since I had seen him. And hoped that my sister and I would one day find him and get to see him again. We had searched with no luck then one day on the other end of the line it was him. We didn't get a chance to talk I still am not sure why. Its sad for me to hear the news of his passing. Maybe in another life I will get a second chance.....All my love Rena*

I am so sorry to be so long getting in touch with you but I never knew your names until today. Phil and I were best friends. He stayed with me for over 6 years when he came here from Nashville. I have so much to tell you about Phil and how much it troubled him to not stay in contact with his children. Phil passed away and they had the funeral before I knew he was gone. If you want to talk or email me it's OK. Email: mountainaid@gmail.com or 276-275-3059
