There is not enough space to write this woman`s legacy. Phyllis was the kindest, sweetest, loving, and greatest friend anyone could have. I am praying for the family and the great loss they feel, but Phyllis is reaping her reward in Heaven! I loved her and will miss her dearly, but would not want her to have to suffer this disease anymore. God Speed Phyllis and this is not goodbye but see you later when I get there....Rest in the Arms of Jesus now for your fight is over.

To Kim, Janice & Stanley. Phyllis was one of my dearest friends and classmates of DHS. Everyone that knew her was blessed by her laughter and love. She had a knack of taking a bad situation and turning it into one of the happiest times you could have. God let her stay with us for such a short time but the presence of this rare gem of a woman will be felt for many years to come. God sped my dear dear friend. Keep a watch over us all. We were truly touched by your grace.

When I was diagnosed with cancer she was one of the first to let me know that she would be there for me. I told her and the group that she worked closest with at CG to not let me get down, to keep me laughing. They kept their promise and always kept me up and going. Absolutely love my Phyllis, Anne, Fredia, Margaret and Joe. Phyllis always brightened my day regardless of how she felt herself. Rest in Peace my dear Friend.
