“ I send my families prayers and most sincere condolences to Richard’s family. Have known the Tipton family since boyhood. They came from humble beginnings to very productive well liked Americans. Richard, Bobby, Jerry, and Richard’s two boys worked with me. Bobby and Richard were extremely gifted mechanics. Worked with Bobby until his very unfortunate death of pneumonia. Richard started while in high school as a maintenance apprentice and became Director o Maintenance. We had very large equipment that pushed the edge of technology. I was amazed at how he kept up to date. He was very important to our companies’ success. He was most dedicated to God, his family, and his obligations. It was such a pleasure to have known him so long, working with him, and being his friend. There will always be a void and wonderful memories in my heart. Look forward to seeing him again.
