“ *My name is Grant Marchman, I met Robbie about 30 or so years ago when I was in big stone staying with my grandparents for the summer. He quickly became a dear friend to me in those years to come until life happened and we lost touch. He was a great guy and my heart goes out to the family.*

“ *My free spirited little Brother. I hope you know how much I love you. I know we hadn't talked in a while but you were always on my mind. So many sleepless nights I worried about you. I hope you are at resting peacefully now. I will hold all our memories close to my heart and share with my boys. My heart is hurting deeply but I'm trying to find peace that one day I will see you again. I love you always and forever Harky.*
