“ *Uncle Bobby you will be truly missed. I will miss your laughter, your smile, and most of all your sense of humor. I remember when you were station in Vietnam Nam, and when on leave you would come to San Francisco to hang out with us. I use to love to hear the stories from you and Uncle Curtis. Here's a story I would like to share with my Patton Family.....Uncle Bobby and Uncle Curtis had come to visit us in San Francisco and decided to go out one night to this club called The Dock of the Bay. Now everybody that knows the Pattons know that they were and are some fine handsome men. Well getting to the point, the next morning we were all having breakfast and I said Uncle Bobby you and Uncle Curtis were sharp last night.....did you have fun? Here is Uncle Bobby's response.....we had a ball.....you know all of the women were all over us. There was this one young lady that told me I reminded her of a movie star. So he asked her....who Billy Dee Williams and she said oh no.....you remind me of one of the actors on the Little Rascles.....we fell out laughing....we said who Alfa-fa or Spanky. This is just part of the sense of humor that my Uncle had. Uncle Booby I love and miss you. To my cousins, my prayers are with you. May God bring you comfort, peace and understanding. No more pain....no more suffering. Uncle Bobby Rest In Paradise.*
