So sorry to hear about Ronnie's passing. We graduated high school together. I severed in Vietnam also. I went a year before Ronnie did. Just after I got back, i was in my car at the drive-in in Pennington Gap and Ronnie came and sat with me and wanted to know what it was like in Vietnam, we sat and talked for a long time, I told him all I could. That was the last time i saw him. We all kind of went our different ways as things go.He was a good friend. May he rest in peace.
