“ *My sympathies to the family of Roy Shannon Collier. My grandmother was a Collier, and I have written a large Collier history book on the Colliers of SW VA. I have searched the book and cannot find Roy Shannon Collier in it. If anyone in the family would like to have a copy of the book, please let me know; send a note to my e-mail address. There will be no charge for one copy of the book, and I will mail it to you by Post Office. Then perhaps we can talk and see where Roy Shannon and family belongs in the book. My mother and grandmother were from Blackwater, VA. My dad Greever Gilley was from Big Stone Gap. Thanks, and God bless your family during your time of sorrow.*
