“ So sorry to hear of this loss! I remember as a young kid Uncle Sam lived with us and on Easter we painted eggs! For years our painted eggs would disappear and we didn't know why? As I got older I caught on that Uncle Sam was eating them after we went to bed! So I set up a boobie trap for him, I replaced the hard boiled eggs with raw painted eggs! A few days after he grabbed one and as I was watching almost wetting my pants he cracked one right on his forehead! With egg running down his face and hands he cracked up and said I guess I deserved that! This is just one of the many happy memories we shared!! Uncle Sam will be missed! With Love Danny Horton Jr. and Family
