“ Tiffany, Chad and I are so truly sorry to hear of Shane's passing. When we worked with him, he always had a smile on his face or was laughing about something. He was one of the friendliest souls one would ever want to meet. Chad and I can recall him telling us a story one time about calling 'Gertrude' to the front of the store at Walmart, I think it was the old one, and laughing the whole time he was telling us. He loved you and his family with his whole heart. I have been thinking of you, Heidi, and your family, praying for God's peace to strengthen all of you during this difficult time.
