“ *I send my love and sympathy to Matthew, Nicholas, Schelsie and Lindsey and to Leslie. Thought the world of Shawn. Will never forget him or our little arguments over a certain Nascar driver. Take care of each other and if there is anything I can do, all you have to do is let me know.*

“ *We remember Shawn, as a young boy, when we all lived in Paonia Colorado. He was always happy, sweet, and funny. He and our daughters had alot of fun together. He was always making them laugh. Your family is in our prayers.*

“ *I haven't seen Shawn in many years, however I remember him as a small child in Paonia...delightful, happy, full of energy and mischief. My thoughts are with you all; cherish each other and remember all the wonderful times you've had together.*

“ deepest sympathy for family that feel grief, I know shawn fought his demons on a daily basis and his kids was his only reason to live at one point in his life especially his sons. It was very important to him that they make right choices in life and not make any of the mistakes he made which we all feel that way with our children. Shawn demanded that they always respect their mother regardless of the battles going on. I really respected that about him and if leslie would have passed before him i know in my heart he would have given her a beautiful funeral and every week him and the boys would be bringing her grave fresh cut flowers and every weed would be pulled. So i hope forgiveness was laid to rest and the same respect and honor was given to him. Shawn had a huge heart and i really enjoyed being around him, we shared so much laughter and many hours during the night just talking. I will miss him and pray his soul is now at peace.
