“ My The Lord give you strength to get through this difficult time,Diana was my best friend when we were in school we spent so much time together,she and I stayed at each other’s house very often. Life takes us in different directions and we lose touch,I would see her sometimes at different places we would talk and try to catch up some, I will always remember her as my best friend and I know I’ll see her again where we’ll never be sick and happiness always.she was so blessed with a great guy we all went to school together.Love you James if you ever need me for anything please let me know.LOVE YOU DIANA.

“ Dianne and my mom (Sondra Baltimore) were best friends growing up, remaining lifelong friends. She was family to us and we love her and her family very deeply. Our hearts are broken, but we steadfastly know we will be together again in God’s house. This separation is but short and temporary. I apologize that I won’t be able to travel for the services due to doctor appointments, but know that you are ALL in my heart.

I pray for His hand of comfort upon us all as we navigate this painful time. And I pray His wave of peace to fill our hearts, both now and when we find ourselves reminiscing of our sweet Dianne; that we not cry because we miss her, rather we smile because she was part of our lives and were given the gift of her love.

Warmly,
Tony

“ I met Dianne many years ago when we worked together at the Lee County Extension Service, and later at Stone Mountain Health Services. I can honestly say that I have never had a better friend than Dianne, nor have I ever known a kinder person than she. I am so sorry to learn of her passing; I know the sense of loss is enormous. I pray God’s grace will be sufficient in the days and weeks ahead.
