“ To Susie, George, and family...
Our sympathy in the loss of such a remarkable mother. Her time on earth was long and her experiences and people she touched during those years gave her great insight into life. I enjoyed the stories she told of her family and growing up and working in the mountains and camps.
I know she loved her family and her faith as much as anyone could. Most of all she loved and missed George (we miss him too).
It gives us peace to know that they are once again together, just in time for the World Series! We love all of you and thanks for your love and care of your mother and father. Love, Marilyn & Gary

“ We were neighbors at Bear Fork. I was a child, but have pleasant memories of Dana and Marcus making noodles.
