

## Teresa Kay Williams

August 14, 1957 - September 9, 2024

Teresa Kay Williams, a beacon of kindness and unwavering strength, passed away on September 9, 2024, after a valiant and extended battle with cancer. Born on August 14, 1957, in the serene town of Big Stone Gap, she lived her life with the same grace and courage that characterized her final days, surrounded by the love and support of her devoted family in the very place she first called home.

Teresa, known affectionately as just that to her friends and loved ones, was a woman whose life was defined by her passion for caring for others. Her gentle spirit and compassionate nature were evident to all who had the privilege of crossing paths with her. She attended Powell Valley High School and Mountain Empire Community College, Teresa's commitment to education was paralleled only by her dedication to her work as a caregiver—a role she embraced wholeheartedly and performed with exceptional love and excellence.

Preceding her in death were her parents, Henry Lovell and Helen Lovell, and siblings Leisa Gilley, Diane Barnett, Keith Lovell, Timmy Lovell, Stevie Lovell, Cathy Lambert, and Louise Barnett husband James Williams.

Family was the cornerstone of Teresa's world. She was the cherished mother of sons Chris Bartee and his partner Michelle, and Chadwick Bartee and his

wife Jessica. Her grandsons—Camden and his partner Maddie, Calep and his partner Gail, Caiden, and Alexander Bartee—were the lights of her life, and she relished every moment spent in their company. Her love for her sons and grandsons was a testament to the boundless capacity of her heart, siblings : Henry Lovell and his wife Doshia, Jackie Bowman and her husband Frank, and Janet Williams and her husband Claude other close relatives and friends.

Teresa was a woman of many interests, she was head strong. She will be greatly missed by her family. All arrangements will be private.
