“ *Teressa was a wonderful woman that had a spark for life that was kind and gentle . Unless you made her mad or did something to one of her boys . I loved her laughter and smile. She was one of my favorite cousins. She reminded me of her dad . Uncle Jimmy was one of a kind . The last conversation that I had with her was when her mother passed away . We laughed for awhile and cried for awhile but the one thing that came clearly out of the conversation was how much that she loved her boys . She said that she missed David but she didn't want to leave Ross . We both exchanged I love you and hung up . I never dreamed that would be the last time I would be able to hear her voice . I will miss you dearly Teressa you were a rare jewel in this world and you will be missed . Tell all the family that I will see them soon . Love you always and forever. 💜*

*I remember when Theresa started school at Powell Valley . Everyone was wondering who she was . She walked out the doors and the guys mouth fell open . She was dressed in very dressy clothes and not a hair out of place . I listened to their comments about her being beautiful and they didn't know if she was a student or teacher . I laughed and said to a few in a gathering circle and told them that is my cousin and you don't stand a chance . We laughed about this many times . Theresa I love you and will carry you in my heart always . You left me to soon beautiful cousin .*

“ Aunt Theresa, where do I start.  
*I love you, will miss you in this world. While we hadn't seen each other in a few years, you were often on my mind. Just know Jeremiah and I love you. Jeremiah says you were still his best babysitter.  
Since my Mom is unable to reach out, she would want me to say something. I love you Theresa and we will meet again, with everyone else we have lost and miss. Especially Daddy, I will always love you, no matter our differences. You will be missed.  
~Cindi!!  
I will always love you my Aunt Theresa.*

*Theresa we only knew each other as co workers and friends for a short while bur you was always an encouragement to me. And you made that clearly known that you had a high opinion of my work ethics. It meant alot to me that you did. You truly cared about our patients and you knew I did. We're not perfect here on this earth but I know yiu have a new body in heaven. You're not in any more pain. Rest in peace sweet Theresa. I'll see you again one day. What a reunion that will be.*
