Veda was always a soft spoken lady and treated everyone so good. I have sat at her kitchen table many times in my younger years visiting with her, she was always so good to me. I pray God will comfort you all at this time.

“ *Linda, Robin and Lisa*
We all know this day has to come, but it is always a shock! I am so sorry for the lost of your mother. She was a very special lady. I look at her now as a mother figure when I was young and hanging out with Linda. After I left BSG, she was still in my thoughts and prayers. I surely believe that my mother was one of many to welcome her home! She always had a smile on her face and such a soft speaking lady. I am thankful for her for helping look after my Mom before she left for her homecoming. I can just imagine what a reunion there was in Heaven! Love all of you! Please if there is something I can do let me know. My prayers will be with you!
