“ *I had the honor and privilege of getting to know, and care for Bill. He was so much fun to be around, and full of life and stories. I always looked forward to going and helping him. The time and memories I have with him I, will always be special. To his family, I am deeply sorry for your loss, and will be keeping you all in my prayers. And to Sue, you have done a magnificent job in providing care for Bill; he never went without, and you were such a wonderful advocate for him - thank you for that, and God bless!*
